PROPERTY DESCRIPTION

This magnificent executive home in Rock Springs subdivision, exemplifies impeccable quality and attention to detail throughout. A distinctive sense of artful elegance prevails within this appealing residence which is situated on a choice 2.26 acre corner lot. The versatile, open floorplan features approximately 5211 sq. ft., 5 bedrooms and 3 full bathrooms and 1 half bath. Gorgeous hardwood floors flow through the kitchen and formal dining room. Elegant formal areas are accented by crown molding. Cooking and dining alike will be a pleasure within the gourmet kitchen which features upgraded stainless appliances, custom tile backsplash, smooth top range and center work island and built-in microwave. The formal living room is embellished with custom built-ins and a cozy fireplace. The downstairs master suite offers an oasis of relaxation-complete with whirlpool tub, separate shower, double vanity and tile flooring. Other desirable features of this home include a custom master walk-in closet, a three car garage, office/study and in-ground pool. The picturesque backyard offers serene privacy with numerous mature trees, stylish landscaping, and a covered patio perfect for outdoor entertaining. Home built by Cherry Construction.
